And All About YOU

*Has life become so busy, noisy and stressful that you cannot hear yourself think anymore? Do you have **low energy**? Never have time for you? Do you know that it's time to take time out and to **focus on YOU**?*

How much longer do you want to wait?

*If you are you **stuck** in a job, relationship or situation that you can't get out of no matter what you try? **Bogged down** by life and things, or life, not working out for you? **Stuck** in the rat race to nowhere? Do you also sometimes wonder... 'where to from here?'*

Have you had enough?

*Do you long for **simplicity**? Balance? To be nourished? To eat healthy, delicious and nutritious food? To be surrounded by nature?*

Are you ready for a journey of a different kind?

*One **without the interruptions** that constantly take you off course, like computers, phones, voice-mail and email? One where you are **nourished and nurtured** from the very minute you arrive until the moment you leave?*

'The Bali Gathering' is a gathering of mind, body, heart and soul and was created with the sole purpose to help you (re)connect with your true passion and purpose in life – and to find the energy and clarity you need to move forward.

This is a committed time to you, by you, for you where you have the space to work with yourself and hold your dreams and visions and step into making them come true. It promises to be challenging, supportive, inspiring, fun, nurturing, private and deeply introspective. Only you can make the changes in your life, step up to the challenge and face your dreams and say 'YES'.

If this is what you've been waiting for then join us and dare to dream.

What makes 'The Bali Gathering' different?

- **For once, it's all about you.** Because The Bali Gathering recognises that everyone is different, it does not come with a standard 'one-solution-fits-all'. Rather, it provides individualised attention and focus – on YOU.
- **Enjoy the location, location, location.** The Indies Estate in Sanur is one of the most magnificent and luxurious estates in the whole of Bali! A place to feel pampered and nurtured as you find the opportunity be still enough to find your answers, direction, guidance and truth the only place you ever will – inside yourself.
- **Benefit from the facilitators in the Bali 5 Days:** Jeanne and Bennie each bring a wealth of facilitation experience in their own right. Collectively they have facilitated more than 100 workshops all around the country and the world. More importantly, they have each walked – and continue to walk – their own journey. Combining their energies in creating The Bali Gathering brings a powerful balance of skill, experience and insight which means that you get access to the best of the best – all in one place.
- **Allow your body to rest, rejuvenate and integrate with the Bali 7 days:** The journey within may be one of the shortest journeys we can make but it's also often the most difficult. Stay for an extra 2 days and join us early morning and evening sessions and use the time in between to rest and integrate all you have gained before, or have fun and explore Bali.

- **Get your own personal breakthroughs in private sessions with the Bali Intensive.** Understandably, retreats rarely allow quality private time with the facilitators. Because we know what that's like, The Bali Intensive allows you 4 hours of private, one-on-one, dedicated and focussed time. (Limited to 5 people)
- **A finely balanced programme of mind and body, heart and soul.** The Bali Gathering provides an extraordinary balance of processes, techniques and exercises specifically chosen to tap into the power of your mind, body, heart and soul to make the shifts necessary for you to move forward and fulfil your heart's desire. Everyday is designed to bring you new opportunities to go deeper, from morning meditations to nature walks; from short talks and the healing power of sharing life stories; from journaling and meditation to group-exploration; from transformational private sessions with the facilitators to connecting with new friends around a fire
- **Be nourished.** Our aim is to nourish you in as many (and unusual!) ways as we can. Other than your own inner work – which no-one else can do for you – we will take care of everything else and bring you a powerful programme, fabulous food, a nurturing nature environment, our undivided attention, and fun!

All in all, The Bali Gathering is designed to be an unusual experience to help you create unusual results.

"Working with Jeanne has enabled me to fully express my true being for the first time in my life. I cannot believe how many modalities she has mastered, and her intuition and skill at understanding and connecting with me and what I really need is truly a gift. I feel balanced, energised and whole again."

"All the coaching and therapy that I have done in the past was just 'not it'. **With Bennie I have a certain kind of freedom.** That stuff that was holding me down has gone and I feel lighter and free! Bennie has a great way of sharing his passion. He really wants us all to win at the game of life."
